DEDICATION

This work is dedicated to my dear wife, Linda, who is my helper, companion, friend, and lover. For more than 53 years, she has unselfishly and joyfully set aside her own desires and done all in her power to help me be successful in everything I do. She has spent countless hours editing and proofing the things I publish.

CHAPTER 1

THEIR DECEPTIVE SCHEMES, PERVERSIONS & LIES

ATTENTION: **This report is NOT intended for children!** It details the abominations & perversions of witchcraft. The purpose of this report is to WARN you that the cult of witchcraft is not what witches portray it to be!

I have a news article in my files entitled, "Witches Seek Mainstream Status." To be sure witches are out of the broom closet and walking down main street. In fact, they are going to great lengths to sanitize their reputation and remake their image. That is easy to see when you see media articles with titles like—Witches spell it out: Don't

Stereotype Us, and I Am Not A Wicked Witch. In the process of trying to remake themselves to be acceptable to mainstream Americans they use deceptive schemes, old tricks and dirty lies to accomplish their goal. The following are but a few examples.

Whitewashing the Name "Witch" by Using The Term Wiccan!

Most of today's witches prefer to be called "**wiccans**" instead of witches. The very name **witch** conjures mental images associated with evil and they want to change that. They go to great lengths to redefine themselves by using the term *wicca*. But, the word *witch* comes from the Old English word *wicca* (masculine) *wicce* (feminine) which means to practice sorcery. In fact, our English word *wicked* is from the root word *wicca* and literally means witchlike.ⁱ

CHAPTER 1: THEIR DECEPTIVE SCHEMES

As early as 890 A.D. the word "wiccan" was used to identify witches "in the *Laws of King Alfred*."ⁱⁱ In short, changing the name from **witch** to **wiccan** is an attempt at historical revisionism. A witch or **wiccan** is, by the very name, a defining word for wickedness.

CHAPTER 2

WICCA: THE WORLD'S OLDEST RELIGION?

I have been told over and over again by Wiccans that Wicca is the world's oldest religion and that Wicca is older than Christianity. Problem is, that is a lie!

Aidan Kelly, Ph.D., founder of two of the largest witchcraft organizations in America (*New Reformed Orthodox Order of the Golden Dawn & Covenant of the Goddess*) exposes this myth. The write up for his book, *Crafting the Art of Magic - Book I*, puts it this way,

"Kelly himself wanted to believe that Wicca was the rediscovering of ancient Goddess-worshipping people. However, his research proved that this is not the case."
